Subject: Riverside - Internal/working schedule for coordination among teams
Attachments: 2020-06-09 Riverside Industrial ROD Coordination Schedule WSP.pdf

Please find attached an internal draft schedule for Riverside. Do not share this outside the OU4 team please.

EPA concurs with sharing our schedules between the teams since we are both on the path to PRAP and ROD and may have conflicts during heavy briefing/review times.

Andy/Aaron – please feel free to contact Len Warner. We spoke today and he's happy to coordinate/discuss details if you have questions on the Riverside schedule. Note Riverside does not follow a 'comfortable' review and preparation time for most tasks 😊.

Riverside has a 30 Sep 20 ROD goal so our path is aggressive.

Regards, Beth
